

SACRED CONTRACT TO ALIGN MY BUSINESS WITH MY SOUL

I,, make a commitment this day,, at a Soul Level, to step powerfully and uninhibitedly into the next stage of my business unfolding.

I open to experience this as a grand adventure and I make a conscious choice to pursue this as my evolutionary path.

I seek to remember and align myself energetically with the following **truths**:

Abundance is my natural birthright.
The Universe is not limited. There is more than enough for all.
There is nothing I cannot Be or Do or Have.
Prosperity can only be created from the inside out.
It is natural for my life to unfold as a series of predictable miracles.
I can become aligned - Body, Mind, and Soul - with the experience of true prosperity.

I love money and money loves me.
Those I am seeking to serve are seeking me
I am magnetic to people, ideas, opportunities and events
I am the Magick; All I love, want, all the possibilities I desire become my reality.
I know what I know. I trust what I know.

I affirm **that the Universe supports me in this intention and will provide me with an abundance of all support (people, inspiration, money, energy & time).**

The Universe will handle the details. My job is to listen, trust and take guided action.

I am in alignment with the powerful energetic truth of this document and allow the abundance to flow.
